HENRY MILLER.

APRIL 6, 1860.—Ordered to be printed.

Mr. Fenton, from the Committee on Invalid Pensions, made the following

REPORT.

The Committee on Invalid Pensions, to whom was referred the petition of Henry Miller, report:

That from the evidence in the case it appears that the petitioner had his leg amputated in 1817, on account of an injury received in the war of 1812; that the department has allowed him a pension since 1850. The petitioner asks for a pension from the time of the amputation of his leg to the date of his present pension. For the reasons stated in other reports, viz: that your committee are preparing a bill, general in its character, intended to give relief to this class of applicants, they ask to be discharged from the further consideration of this application.

HENEY MILLER.
